Re: Address: **1106 BIRMINGHAM ST**

Case No.: **TCE240806**

Tax I.D. # **212635 D0090**

Dear Sir or Madam:

The appearance of our community and how we maintain individual properties has a significant impact on the quality of life in our neighborhoods. The City of Tallahassee has adopted ordinances requiring property to be maintained in a clean and safe condition. A recent inspection of your property revealed that certain conditions found do not comply with City code. These violations, corrective action required, and time frame for completion are noted on the attached violation notice. Should you encounter any difficulty, an extension of time may be granted by request. If such extension is needed, please call (850) 891-7007. If you are not the current owner of the property, or if you sell the property before the compliance deadline, please inform us of such action.

Due to the nature of the violations, the City's Condemnation Review Team (CRT) will evaluate the structure at the above address and may recommend demolition. Regardless of the CRT's recommendation, if the violations are not corrected, your case will be scheduled for hearing before the Municipal Code Enforcement Board/Code Magistrate. During the hearing, the findings of the CRT will be presented, and you will have the opportunity to be heard. Failure to bring the property into compliance may result in the City of Tallahassee correcting the violation(s) and assessing the cost, which could include placing a lien on the property until such time as all costs are reimbursed to the City. These costs may be recovered by court action if necessary. **Your case may be presented to the Code Board/Magistrate even if the violation has been corrected prior to the hearing or if the structure is boarded.** The City's Board and Seal Ordinance, (Section 3-371, Tallahassee Land Development Code), includes a time limit for a structure to remain boarded. Cases involving boarded structures will be taken to the Board/Magistrate for an order to be issued to determine the time limit. If removal of boards reveals other code violations, those violations must also be corrected.

**Building permits may be required before repairs or alterations can be made to any building.** Building and demolition permits may be obtained from the City's Building Inspection Division, located at 435 N. Macomb Street, First Floor, telephone number (850) 891-7125.

If you have any questions concerning this notice, please contact our office at (850) 891-7007 or visit our office in the Renaissance Center located at 435 N. Macomb Street, Third Floor, Tallahassee, Florida. **Once you correct the violation(s), contact our office immediately to request an inspection.**

Sincerely,

*Lesa Vause*

Dear Sir or Madam:

The appearance of our community and how we maintain individual properties has a significant impact on the quality of life in our neighborhoods. The City of Tallahassee has adopted ordinances requiring property to be maintained in a clean and safe condition. A recent inspection of your property revealed that certain conditions found do not comply with City code. These violations, corrective action required, and time frame for completion are noted on the attached violation notice. Should you encounter any difficulty, an extension of time may be granted by request. If such extension is needed, please call (850) 891-7007. If you are not the current owner of the property, or if you sell the property before the compliance deadline, please inform us of such action.

Due to the nature of the violations, the City's Condemnation Review Team (CRT) will evaluate the structure at the above address and may recommend demolition. Regardless of the CRT's recommendation, if the violations are not corrected, your case will be scheduled for hearing before the Municipal Code Enforcement Board/Code Magistrate. During the hearing, the findings of the CRT will be presented, and you will have the opportunity to be heard. Failure to bring the property into compliance may result in the City of Tallahassee correcting the violation(s) and assessing the cost, which could include placing a lien on the property until such time as all costs are reimbursed to the City. These costs may be recovered by court action if necessary. **Your case may be presented to the Code Board/Magistrate even if the violation has been corrected prior to the hearing or if the structure is boarded.** The City's Board and Seal Ordinance, (Section 3-371, Tallahassee Land Development Code), includes a time limit for a structure to remain boarded. Cases involving boarded structures will be taken to the Board/Magistrate for an order to be issued to determine the time limit. If removal of boards reveals other code violations, those violations must also be corrected.

**Building permits may be required before repairs or alterations can be made to any building.** Building and demolition permits may be obtained from the City's Building Inspection Division, located at 435 N. Macomb Street, First Floor, telephone number (850) 891-7125.

If you have any questions concerning this notice, please contact our office at (850) 891-7007 or visit our office in the Renaissance Center located at 435 N. Macomb Street, Third Floor, Tallahassee, Florida. **Once you correct the violation(s), contact our office immediately to request an inspection.**

Dear Sir or Madam:

The Leon County Property Appraiser's records list you as the owner of the above referenced property. In performing code violation inspections in this area, we have found that your property is in violation of the City of Tallahassee Code pertaining to overgrowth and/or trash and debris. You are required to correct the violation within the time specified on the attached violation checklist. Included on the checklist is the action you will need to take to correct the violation. Once the violation has been corrected, please notify our office immediately so that a re-inspection of your property can be completed to verify compliance allowing this office to close this case.

It is important that you resolve this code violation promptly as failure to do so will require the City to correct the violation and the contractor's cost plus our administrative fee will then be assessed against your property through a special assessment lien. The City also has the right to exercise the option of foreclosure on your property once liens are levied. It is not our desire to take this action and it would be less expensive for you to correct the violation compared to the costs for the City to correct the violation. We want to work with you to correct this code violation. **If you feel additional time will be necessary, please call our office. You will be required to submit your request in writing.**

If you disagree with our findings, you may request a hearing at the next regularly scheduled meeting of the Code Magistrate to contest the City's determination regarding the need for lot clearance. Your request for a hearing must be submitted in writing to City of Tallahassee, Housing and Community Resilience, Code Enforcement Division, 300 South Adams Street, B-15, Tallahassee, FL 32301 or faxed to our office directly at (850) 891-0976. The case number and property address must also be included on your request for a hearing.

If you have any questions concerning this notice, please contact our office at (850) 891-7007 or visit our office in the Renaissance Center located at 435 N. Macomb Street, Third Floor, Tallahassee, Florida. **Once you correct the violation(s), contact our office immediately to request an inspection.**

Sincerely,

*Lesla Vause*
