

Energy Efficient AC & Heat Pump Rebates: *New Homes* including Heat Pump Water Heaters (also known as "Hybrid" Water Heaters)

For new homes receiving City of Tallahassee electric service. Submit completed rebate application with a copy of installing contractor's paid receipt & AHRI Certificate or AHRI number, to:
Customer Operations, 435 N. Macomb St., Tallahassee, FL 32301 (Fax 850-891-0901) or UtilityBilling@Talgov.com

Applicant: Homebuilder	Applicant Phone Number
Where appliance was installed: Street Address and Zip Code	Applicant Email Address

Equipment (indicate # of units)	Rebate	Minimum Requirements (see additional requirements below)
<input type="checkbox"/> Air Conditioner	\$100*	Split systems SEER2 15.2, EER2 12.0 (Package units SEER2 15.2, EER2 11.5)
<input type="checkbox"/> Air Conditioner	\$350*	Split systems SEER2 17.1, EER2 12
<input type="checkbox"/> Heat Pump	\$100*	Split systems SEER2 15.2, EER2 11.7, HSPF2 7.8 (Package units SEER2 15.2, EER2 10.6, HSPF2 7.2)
<input type="checkbox"/> Heat Pump	\$350*	Split systems SEER2 17.1, EER2 12.0, HSPF2 8.0 (Package units SEER2 15.2, EER2 11.0, HSPF2 7.8)
<input type="checkbox"/> Heat Pump (water source style)	\$750*	EER 17.1 and COP 3.6 (closed loop); or EER 21.1 & COP 4.1 (open loop)
<input type="checkbox"/> Water Heater (heat pump style)	\$300*	ENERGY STAR certified. Rebate unavailable if replacing natural gas water heating.

Indicate Housing Type		Additional Requirements: (Please complete the following)
<input type="checkbox"/> Single Family Detached	√	Attach the contractor's invoice or paid receipt (or loan program proposal).
<input type="checkbox"/> Single Family Attached (duplex)	√	For air-source heat pumps and air conditioners: Attach the "Certificate of AHRI Certified Performance" provided by your contractor. This is a single-page form printed from the Air-Conditioning Heating and Refrigeration Institute (AHRI) Directory that shows equipment manufacturer, model number(s), size, all efficiency ratings and 7-digit AHRI reference number.
<input type="checkbox"/> Mobile Home	√	For water source heat pumps or heat pump water heaters: Have your contractor provide brand, model number and manufacturer's efficiency specifications on his invoice, receipt or proposal.
<input type="checkbox"/> Multifamily	√	<input style="width: 100px;" type="text"/> What is the area cooled? (square feet)

Other Conditions and Requirements:

- Rebates are subject to change without notice and are subject to approval.
- For rebates to be paid, this application must be completed entirely and submitted with required documentation (see above).
- In new construction, rebates are paid to the homebuilder, not to the homebuyer, equipment vendor or the installing contractor for HVAC installations completed prior to issuance of the Certificate of Occupancy (CO).
- For multifamily new construction: Qualifying residential units must utilize natural gas for water heating. If natural gas is unavailable and gas main extension to the site is denied by the City's Gas Utility, units must utilize an ENERGY STAR (ES) certified electric water heater with Energy Factor (EF) 2.0 or greater; or ES certified solar water heating.
- Rebates cannot exceed the total installed cost for the appliance(s).
- Rebate application must be received within 90 days of the installation's Final Inspection Date.
- The qualifying equipment must be installed in a permanent residence receiving City of Tallahassee electric service.
- An installation permit and a Completed (passed) final inspection are required.
- Air conditioning and heat pump rebates are for permitted, inspected installations of complete, AHRI-matched systems with an AHRI certificate.
- Rebates are not paid for unmatched systems having no AHRI certificate.
- Homebuilders can apply for individual appliance rebates or for the new ES Certified Home rebate, but not both.

I hereby certify that the appliance(s) listed above is installed at the address listed and if requested, I will allow a representative of the City of Tallahassee Customer Operations to physically inspect the installation.
